Conditions

Seller's Commission 15%

Of the gross proceeds of the sale, subject to the following minimum charges.

Vehicles, Trailers, Caravans and similar items £50

Plants & Produce £1

All other lots £2

All charges will attract VAT

Reserves
Reserves may be accepted at the Auctioneer's discretion. Items which fail to reach reserve in one week's sale, will automatically be sold the following week without reserve unless removed by the Vendor.

Labelling of entries
Vendors should ensure that all lots left in the sale room are clearly labelled with their client number and that this form is completed. The porter has absolute discretion to refuse items considered unsuitable for inclusion in any sale. Any lots which no bid is obtained will be disposed of the following week unless removed by the Vendor immediately after the sale.

Electrical Testing
All portable single purchase electrical appliances are tested for safety and a £3 charge is made per test (pass or fail). All items must have an approved plug fitted. Items which fail will be sold in the trade only auction.

Collecting Payment
Paying out is from reception at the following times:

Sat	9am-4pm
Mon-Fri	9am-5pm

Vehicles, cycles and motor cycles: payouts are not made until seven days after the sale. The Auctioneers will withhold payment on any lot until the purchaser of that lot has settled their account. Vendors drawing proceeds will be asked to prove their identity.It is agreed that the Auctioneers take their charges on completion of the sale and may earn interest on credit balances.
